

MOAA's new advocacy initiative, originally called "**QUORUM**" and now referred to as "Advocacy In Action" (AiA) provides a simple way for all MOAA members to support national's legislative lobbying efforts by quickly gathering individual member inputs to present to their associated Congressional members.

First of all you need to be signed up for the MOAA national website access with a user name / EMAIL and password. You may already be signed up.

Next, participating in the AiA process requires an additional, short signup process to interface with the AiA features. After that, the system will keep in touch with you via text / EMAIL etc., requesting interaction from you.

Our chapter will get recognition for membership participation, so please take time to sign up for QUORUM and support its initiatives.
