Dear Commander Balunis,

Please accept my personal congratulations on your chapter's receipt of the 4 Star Level of Excellence Award for exceptional performance in 2016. The Council and Chapter Affairs Committee of our MOAA Board of Directors completed its review and evaluation of the 2016 submissions and selected the MOA of Western New York, Inc. as one of the very best in our affiliate network.

You and your chapter members are making a positive impact on state legislative matters and in your community. I am especially grateful for all you do as a chapter president to support your members and build the MOAA brand.

Thank you again for your leadership and willingness to volunteer your time, skills and experience for the benefit of our association.

Once again, congratulations on your well deserved recognition.

Sincerely,

Dana T. Atkins
