

***As of 1 Feb 2016:***

If a military (active or retired) person, or a military dependent possesses a valid ID card that needs to simply be updated, it can easily be done at the Niagara Falls Reserve Air Station (NFARS).

Since the subject person is already enrolled in DEERS, the only documentation required is the ID card needing to be updated, and a valid NY driver's license / or similar acceptable photo ID.

Obviously initial issue of an ID card is more involved, requiring more extensive documentation and processing.

Excellent information on using the NFARS pass Office services can be found at <http://www.niagara.afrc.af.mil/questions/topic.asp?id=225>

Information on all NFARS functions and services can be found at <http://www.niagara.afrc.af.mil/>
